

Quakertown, PA (24 May 2010) QNB Bank (QNB) held a groundbreaking ceremony on Monday, May 17th for their permanent Wescosville Branch. The branch will be located in a new shopping center at the corner of Hamilton Boulevard and Mill Creek Road in Lower Macungie Township. QNB has operated a temporary branch in the West Valley Market Place at 1042 Mill Creek Road since November 2008. The temporary branch is scheduled to move into the permanent site when construction is completed in October 2010.

Thomas J. Bisko, President and CEO of QNB, said, "While our temporary Wescosville Branch has exceeded

our expectations in every measure, we are excited to move into our permanent site. The new branch will feature more than 1,000 square feet of extra space and provide our customers with additional services including drive-in lanes and a QNB ATM."

QNB is a full service community bank that has provided exceptional personalized banking services to individuals and small businesses since 1877. QNB's assets are approximately \$770 million and the bank currently has nine branch locations serving portions of Bucks, Lehigh and Montgomery counties.
