**QNB BANK'S 2012 CALENDAR CAMPAIGN AIDS LOCAL
NATURE CONSERVANCIES**

QUAKERTOWN, PA (22 February 2012) Thanks to QNB customers, a total of \$1,500 was raised for three local nature conservancies through the 2012 Collector Calendar campaign during December and January.

Reflecting the 2012 theme, "Protecting Nature's Future", voluntary donations were accepted to benefit the three nature conservancies. All proceeds from the donations were divided among the following three conservancies: The Heritage Conservancy, Perkiomen Watershed Conservancy and the Wildlands Conservancy. These conservation areas include the Green Lane Reservoir, Perkiomen, Little Lehigh and Unami Creeks, The South Mountain Preserve and the Quakertown Swamp. QNB will hold a 2013 Calendar Art Contest beginning in mid March. Area High School students interested in submitting an entry should contact the QNB Marketing Department.
