

PERKASIE, PA (9 May 2012) On Friday May 4, 25 students and chaperones from Guth Elementary School in Perkasia walked the one-half mile to QNB Bank's Perkasia office towing wagons, each containing huge (and heavy) plastic jugs of change and cash collected since the first day of school.

Annually, Guth Elementary School students hold a 100-day "Penny" Drive. The student council decides what charities will receive the money collected during the first 100 days of school. The change was run through QNB's Perkasia Office coin machine so checks could be written and sent to these selected charities:

1. Elmwood Park Zoo, Norristown – Adopt an Animal Program - \$75.00
2. Last Chance Ranch, Quakertown – \$514.66
3. PAWS, Philadelphia PA – \$514.66
