

FOR IMMEDIATE RELEASE

**GUTH ELEMENTARY
STUDENTS COLLECT OVER
\$1,385 FOR CHARITY**

PERKASIE, PA (31 May 2013) On Thursday May 2, 30 students and chaperones from Guth Elementary School in Perkasio walked the one-half mile to QNB Bank's Perkasio office towing two heavy wagons, each containing huge plastic jugs of change and cash collected since the first day of school.

Annually, Guth Elementary School students hold a "Penny" Drive. The student council decides what charities will receive the money. The change was run through QNB's Perkasio Office coin machine so a check could be written and sent to the chosen charity: an orphanage in Haiti.
