QUAKERTOWN, PA (6 August 2014) – QNB recently participated in the Stuff the Bus School Supply Drive organized by United Way of Bucks County, Upper Bucks Chamber of Commerce, and Quakertown Alive. Stuff the Bus is a campaign designed to collect school supplies such as backpacks, notepads, and binders so that students in the Upper Bucks schools have the tools they need to succeed in their education.

Drop off boxes were located at QNB branches throughout Upper Bucks during July so that employees and customers could donate items. Additionally, the Bank made a \$250 donation to cover the cost of additional supplies needed to meet demand. In total, the program was able to fill 150 backpacks destined for students in Quakertown, Pennridge, and Palisades school districts.
