QUAKERTOWN, PA (28 August 2015) QNB Bank has once again teamed up with the Lehigh Valley IronPigs to help raise money for local libraries through the “Batting for Books” program. For the past 5 years, the Bank has pledged to donate \$25 for each double an IronPigs player hits in their home games at Coca-Cola Park in Allentown. This year the team hit an impressive 154 doubles, for a total Bank contribution of \$3,850, which will be donated to the Emmaus Public Library. Since the program’s inception in 2011, QNB has donated over \$15,000 to local libraries.
