QNB BANK SPONSORS COAT DRIVE

QUAKERTOWN, PA (9 February 2015) QNB recently sponsored the 100.7 WLEV's Josh and Scott's Warm and Fuzzy Coat Drive. The drive was a massive success, with over 2,000 coats being donated. Coats and other winter gear were given away at the Executive Education School in Allentown and left over items were handed off to Project Keep Warm.

QNB employees helped out by donating nearly 100 coats of their own. In addition, the bank held one of their fundraising Jean Days to help support the cause. Proceeds from the Jeans Day were used to purchase additional coats for donation.

On Thursday, January 15 QNB's Wescosville office hosted a WLEV Live Remote session. Josh and Scott set up shop in the branch as the final drop off point for members of the community to donate coats.
