

FOR IMMEDIATE RELEASE

**CHRIS CATTIE JOINS QNB BANK AS EXECUTIVE VICE PRESIDENT/CHIEF
INFORMATION TECHNOLOGY OFFICER**

QUAKERTOWN, PA (18 February 2016) QNB Bank has hired Chris Cattie for the position of Executive Vice President/Chief Information Technology Officer at QNB's Towne Bank Center. Chris is responsible for directing and managing the Departments of Information Technology, Deposit Operations, and Electronic Banking. In his role as a community banker, Chris looks forward to developing relationships with employees, business people, and vendors that live and work in the local community.

Chris has been in banking for 20 years. In his previous role at another financial institution, Chris served as Senior Vice President of Information Technology. He earned a Bachelor of Science from Lock Haven University for Accounting and Management. He then continued his education at LaSalle University where he received his MBA.

Chris lives in Willow Grove with his family. He remains active in his community where he serves as a volunteer and coach for the Upper Moreland Soccer Club.
